Laminate Countertop Limited Warranty

The Ar-Jay Center fabricates every laminate countertop that we sell in our own in-house fabrication shop. We use laminates that are manufactured by leaders in the industry: **Wilsonart, Formica, Pionite, and Nevamar**. With proper maintenance, these high pressure laminates will provide years of beauty and performance. Therefore, The Ar-Jay Center will warrant for one (1) year from the date of original purchase the countertop to be free of defects in materials and workmanship.

Any countertop that has a defect within the terms of this warranty, will be repaired or replaced at The Ar-Jay Center's discretion. If the original countertop was delivered, we will deliver the replacement top at no charge. We will remove and install any replacement top provided the original countertop was installed by our Installation Division. Paint, wallpaper, electrical, plumbing, or any incidental costs will remain the responsibility of the homeowner in all circumstances.

Our warranty excludes the following:
